

## FIRST HUMAN BEER PONG... ON WATER

[Hostelworld](#), the world's largest hostel booking platform, went to Oasis Backpackers Palace in Seville, Spain to dare ten travellers with a taste for adventure to take on a new challenge.

Hostel travellers will know that when staying in hostels there is one game that never fails to bring people together. Beer Pong; but this time with a twist! The travellers were taken down Lake 'La Cantera de Gerena' to play the first ever game of human beer pong... on water.

The XX intrepid travellers found themselves transformed into human ping pong balls being hurled into the air with the help of their teammates and a blob. Find out which team reigned supreme here...
